UK based cinematographer lighting narrative and commercial projects for TV and theatrical release.

I have recently been shooting the additional photography on 'Lockerbie' for directors Jim Loach and Otto Bathurst due out in January 2025 and also additional photography on 'Rivals' for director Dee Koppang O'Leary currently on Disney+, I have also been operating and shooting 2nd unit on 'Savage House' directed by Peter Glanz for Paramount and the same on 'Death By Lightning' directed by Matt Ross for Netflix.

Other notable experiences include my first feature, TOGETHER, a dark comedy with Oscar nominated director Stephen Daldry and actors James McAvoy and Sharon Horgan. EUROVISION SONG CONTEST: THE STORY OF FIRE SAGA for Netflix and operating THE FINAL PORTRAIT with Stanley Tucci directing. I've also overseen lighting for studio VFX sequences including motion control for FANTASTIC BEASTS: THE CRIMES OF GRINDELWALD.
